

# LESSON 29

| Phrasal Verb        | Example  | ASL GLOSS |
|---------------------|--|-----------|
| <b>So-so</b>        | The children's grades were just so-so on the test.   |           |
| <b>Split Second</b> | The lightning flash lasted a split second, and then disappeared.                                   |           |
| <b>Stand Up For</b> | John always stands up for his rights.  |           |
| <b>Stick Around</b> | John's father told him to stick around and they would go fishing.                                  |           |
| <b>Stuck Up</b>     | Mary is very stuck-up, and will not speak to the poor children in her class.                       |           |
| <b>Sum Up</b>       | The teacher summed up the lesson in three rules.   |           |
| <b>Swear Off</b>    | Mary swore off candy until she lost ten pounds.  |           |
| <b>Sweet Talk</b>   | Polly could sweet talk her husband into anything.  |           |
| <b>Take a Break</b> | You've worked hard. It's time to take a break," the boss said.                                     |           |
| <b>Awful</b>        | I had an awful good time yesterday!  |           |
| <b>Taken Aback</b>  | When he came to pay for his dinner he was taken aback to find that he had left his wallet at home. |           |
| <b>Take Note Of</b> | A detective is trained to take note of people and things.  |           |
| <b>Take an Oath</b> | Mary took an oath that she did not murder her husband.   |           |
| <b>Take Off</b>     | The dog took off after the rabbit.   |           |
| <b>Take Off</b>     | The six boys got into the car and took off for the movies.   |           |
| <b>Take Off</b>     | The plane took off on time to my amazement.  |           |
| <b>Take Off</b>     | I need to take off a few weeks because my wife is pregnant.  |           |
| <b>Take Up</b>      | When the vacuum bag is full, it will not take up dirt from the rug.                                |           |
| <b>Take Up</b>      | Please take up all the term papers from the students.  |           |
| <b>Take Up</b>      | The teacher took up the lesson where she left off yesterday.                                       |           |
| <b>Take Up</b>      | I recently took up gardening to relieve my stress.   |           |
| <b>Take Up</b>      | I took up John on his bet.   |           |
| <b>Talk Into</b>    | Bob talked us into walking home with him.  |           |

|                      |  |  |
|----------------------|--|--|
| <b>Tell Off</b>      | Mr. Black got angry and told off the boss.                                 |  |
| <b>Tell On</b>       | Andy cheated on the test and John told the teacher on Andy.                |  |
| <b>The Other Day</b> | I thought of you the other day when I went to the beach.                   |  |
| <b>Too Bad</b>       | It was too bad Bill had measles when the circus came to town.              |  |
| <b>Turn Down</b>     | His request for a raise was turned down.                                   |  |
| <b>Turn Down</b>     | The TV is too loud! Please turn it down.                                   |  |
| <b>Turn In</b>       | Remember to turn in your papers tomorrow.                                  |  |
| <b>Turn In</b>       | I'm tired, I think I'm gonna turn in.                                      |  |
| <b>Turn In</b>       | I turned in my 2014 Honda for a 2016.                                      |  |
| <b>Two-faced</b>     | Don't confide too much in him as he has the reputation of being two-faced. |  |
| <b>Two-timing</b>    | Mary cried when she found out Joe was two-timing her.                      |  |
| <b>Up to</b>         | Pick any number up to 10.  |  |
| <b>Up to</b>         | Up to her fourth birthday, the baby slept in a crib.                       |  |
| <b>Up to</b>         | We chose Joe to be captain because we felt he was up to the job.           |  |
| <b>Up to</b>         | What are you up to?  |  |
| <b>Up to</b>         | It's up to you who stays over tonight.                                     |  |
| <b>Up to</b>         | Do you think the car is up to the trip all the way to Orlando?             |  |

## Focused Review

|   |   |
|---|---|
| Accident, collision                         | In the nick of time, *just                    |
| Adopt, take up                              | Know that                                     |
| Affair, cheat on, adultery                  | Land, property                                |
| Answer, reply, respond, report, react       | Make, create, construct, manufacture, produce |
| Awfully, Dang, Incredible, WOW              | Opinion                                       |
| Bachelor                                    | Overlook, invisible                           |
| Block, prevent, obstruct, bar               | Procedure, process                            |
| Brief, short, soon, temporary               | Rather, prefer, favorite                      |
| Carpentry                                   | Rehabilitation                                |
| Chief, superior, upper                      | Religion                                      |
| Collect, gather, harvest                    | Research                                      |
| Commute, back and forth, mobile, "go"       | Rule, regulation                              |
| Convince, persuade                          | Service, wait on                              |
| Defend, guard, protect, shield              | Snitch, tell on, tattletale                   |
| Deny, turned down, reject                   | Stuck up, yuppie, snob, sophisticated         |
| Design, illustrate, art                     | Stuck, trapped, caught, jam                   |
| Dolphin                                     | Suck  |
| Doubt, waver, disbelief                     | Summary, condense, abbreviate, shrink         |
| Doughnut                                    | Taken Aback                                   |
| Europe                                      | Too bad                                       |
| Feed  | Up to you, Your decision                      |
| Flatter, charm, suck up                     | Various, miscellaneous, etcetera              |
| Habit, custom, tradition, used to, practice | Very close, nearby, *just                     |
| Hypocrite, two-faced, "fake"                | Whale   |
| Immature, childish                          | Zoom  |

# Interpreting Practice

## 57 – City Streets

|                   |          |               |
|-------------------|----------|---------------|
| **there is        | downtown | shopping mall |
| after             | factory  | stadium       |
| bakery            | listen   | street        |
| check             | motel    | supermarket   |
| church            | near     | synagogue     |
| city              | new      | wife          |
| coffee            | next to  | words         |
| corner            | page     | work          |
| community college | shop     |               |

## 58 – An Intersection

|              |               |            |
|--------------|---------------|------------|
| bike         | page          | words      |
| box          | parking       | laundromat |
| complete     | parking meter | corner     |
| crosswalk    | please        |            |
| in           | sentences     |            |
| intersection | sidewalk      |            |
| listen       | there         |            |
| mailbox      | use           |            |
